

Social Prescribing Referral Form

Wilsonton Heights Neighbourhood Centre Social Prescribing Program

Helping families connect to community and enhance wellbeing.

Program Overview & Eligibility:

The Social Prescribing Program is designed to provide tailored support to families by connecting them with community resources to address social isolation and improve wellbeing. Eligible referrals include:

- Families with children under 18 (including foster and kinship carers) seeking support to strengthen community connections.
- Adults expecting a child (via pregnancy, adoption, or foster care arrangements).
- Where one or more members of the family are at risk of or experiencing loneliness or social isolation and are seeking connection with local community, groups, activities or programs.

Social Prescribing at a Glance:

What Social Prescribing is ✓	What Social Prescribing is Not ✗
A personalised pathway to community connection and support	A crisis or emergency intervention service
Focused on improving health and wellbeing at the family level	A replacement for specialised or high needs support programs
Flexible services delivered in a family friendly approach	Non-personalised recommendations
